MEMORANDUM FOR THE CHAIRMAN, ECONOMIC INTELLIGENCE COMMITTEE

**SUBJECT: IWG Subgroup on External Financial Operations of the
Soviet Bloc vis-a-vis EIC Subcommittee on International
Trade and Finance**

1. The minutes of the third meeting of the IWG Subgroup have come to my attention. The discussion at this meeting again raises the question of relationship between the two subject groups as well as the broader one between IWG and EIC. Since we have members on both committees and on many of the subgroups, this concern has been the subject of management inquiry.

2. I believe some clarification is needed, particularly with respect to certain statements in paragraph 4 of the minutes of the third meeting of the IWG Subgroup.
